John 8.48-59

Who is Jesus? Isn't it interesting that almost every religion in the world weighs in with an opinion about him? But more important for you is what *you* believe. Let's examine claims from his opponents, what he in turn claimed about them, and his own claims for himself.

What his opponents claimed Jesus to be

- A _____
This was artificial, a claim of _____
- Jesus' answer:* not _____ of a _____
- _____ - _____
- Jesus' answer:* Does such a person bring _____ to _____? (See also Matthew 12.24-28)

What Jesus claimed about his opponents

- They do not _____
- They are _____

What Jesus claimed about himself: He is...

- One who _____ the _____
- One who gives _____ to those who _____ his word
- One who _____ God and _____ his word
- One who brought _____ to _____
- One who _____ Abraham
- One who is _____

***Who is Jesus? Everyone needs an answer to that question.
What's yours?***
