Luke 9.23-27

Jesus challenged many people in his ministry with two words: ***“Follow me.”*** Incredibly, many dropped everything they were doing to accept his challenge! Multitudes were enamored with his message and focused anew on God, and they became followers of Jesus, too. There are two main questions we will focus on this morning...

Why would anyone want to follow Jesus?

What does it mean to follow Jesus?

***Jesus presents us today with this same challenge: “Follow me!”
So there is a third question for each of us to consider: What is
my decision about following Jesus?***
