DEACON/TRUSTEE RECOMMENDATION FORM (for 2022)

The Deacon/Trustee Nominating Committee requests that you prayerfully consider those members of our church that you would like to recommend to serve in the office of Deacon or Trustee for next year. Please use the form below to list your recommendations. The Deacon/Trustee Nominating Committee will use your recommendations as they consider those who might serve in these important areas of leadership. Those names will later be brought to the congregation for affirmation in a Church Conference. Please return by OCTOBER 3.

The following are currently serving and therefore should NOT be considered in your recommendations.

Table with 2 columns: ACTIVE DEACONS. Lists names: Nick Athanaseas, Bob Blake, Brad Burnsworth, Rod Foerch, Ken Green, Carl Handley, Jeff Jones, John Perry, Larry Sheaffer, David Sneller.

Table with 2 columns: ACTIVE TRUSTEES. Lists names: Larry DuBose, Kay Ezzell, Tim Haszard, Ron Howes, RJ Inman, Hugh Peters, Sandy Truett.

Deacon candidates that you recommend should each be a member of our church for at least two years (or have been a member of a Southern Baptist Church prior to coming to ACBC), be 18 years of age or older, and able to serve in this position. They should also fulfill the qualifications set forth in 1 Timothy 3.8-13.

The term deacon means "servant," and our deacons serve our church in many ways. They minister to the needs of the membership in support of the pastor and staff, as each family is assigned a deacon. These individuals and their wives, if married, also are to provide an example to the congregation in word, faith, and deed.

Trustees help oversee our financial resources and our facilities. These men and women work with teams and committees to establish an annual budget and give monthly oversight. They also are charged with the maintenance and upgrade of our facilities and work with approved church projects such as our Ever Ancient, Ever New campaign.

Both Deacons and Trustees usually serve three year terms before rotating off.

After careful and prayerful consideration, I would like to recommend the following persons for consideration by the Deacon/Trustee Nominating Committee. (Please do not recommend active Deacons or Trustees.)
