Genesis 3.1-13

Every sin still brings sadness to the heart of God.

Every sin still brings harm to us.

Every sin still needs to be avoided.

How can we escape being “the fall guy” yet again?

_____ **your** _____

Are you aware of yours?

Beware of _____

To whom are you listening for teaching about life?

Don't settle for _____

- Adam and Eve found that what they wanted was not _____ they _____!
- They learned evil by _____

Sin brings shame to us still today. Unfortunately, some ignore or even glory in their shame. But there is a better way. We can have our shame taken away by God as he offers forgiveness of our sins when we turn to him in repentance and faith.

And he can keep us from falling when we walk with him!
