Genesis 25-32

Can people really change? With God, the answer is yes! Sometimes it can be an abrupt turnaround, as we see in the life of the apostle Paul. At other times, it is more gradual, as we see in the case of the patriarch Jacob. Today we will look at an overview of his life and then come back and fill in some details in weeks to come...

Three words can help us summarize the pilgrimage of Jacob:

❖ _____

❖ _____

❖ _____

Over time, as God dealt with him and he responded to God, Jacob was changed for the better. And you can be, too. As in Jacob's life, God is at work in yours, and he wants you to respond to his love and leadership. Don't struggle against God. Struggle with him! Say, "I will not let you go unless you bless me!"
