1 Thessalonians 5.1-11

Prophets of doom and scientists alike predict that one day this world will come to an end. Christians believe that, too, but look forward to it with anticipation and hope. Why? Jesus has promised to come and take us to a new home that he is even now preparing for us!

When is the end coming?

- When we _____ it
- When the _____

However, there is a far more important question to consider:

How do we prepare for his coming?

- Be _____.
- Be _____.
- Don't be _____.
- Don't be _____.

One thought to remember: even if Jesus does not return for another century, the “end” for you is essentially the day you die. As Scripture says, “Make your calling and election sure.” Are you sure you are a Christian? You can be today!
