## **Acts 4.32-37**

What's in a name? A lot! We choose them with care, don't we? In Bible times, names were often given to designate character. If that were the case with you, **what would your name be?** I know what I would **want** mine to be: \_\_\_\_\_, which means, "Son of \_\_\_\_\_." This is a ministry we can begin where we are!

**1. An Encourager lives a life worth \_\_\_\_\_.**

*What changes do you need to let God make in your life so that can truly be an encourager?*

**2. An Encourager shows \_\_\_\_\_ to those who have made \_\_\_\_\_.**

*Do you know any "John Mark" to whom you can hold out the hope of another chance?*

**3. An Encourager \_\_\_\_\_ others and calls forth \_\_\_\_\_.**

*Five hints in encouraging:*

- Use your \_\_\_\_\_ to build up others.
- Use your \_\_\_\_\_ to build up others.
- Catch somebody doing something \_\_\_\_\_.
- Give a word of encouragement in the midst of every \_\_\_\_\_.
- Remember that a word of encouragement always includes a call to \_\_\_\_\_.

***Encouragement often has a snowballing effect.  
Will you get the ball rolling?***
