

40 Days of Learning

Life Long Learning

Ancient City Baptist Church—Fred O. Pitts

Sunday Morning, October 16, 2022

Acts 12.1-19; 16.16-34

Today is our last Sunday in the ***40 Days of Learning***. We pray that it has been helpful for you in reviewing and understanding some basic truths of life in Christ. But we are not through learning! As we grow toward maturity, building upon the foundation that has been laid, we must learn to discern the voice of God. Here are some questions that can help us as we seek to learn and live God's plan...

- ❖ **What are my _____ of action?**
- ❖ **Does the Bible _____ to the issue?**
- ❖ **What _____ seem to cast light on the issue?**
- ❖ **What _____ could come from different courses of action?**
- ❖ **What do other _____?**
- ❖ **What do I believe God is _____ me to _____?**
- ❖ **Is it _____ that God has given _____ a _____ course of action to pursue?**

We must each learn to listen to the voice of God as he speaks. Regardless of what others do, Jesus says, "As for you, follow me."
