## ***John 4.43-54***

Jesus was at times frustrated because people cared more about his *miracles* than his *message*. And to Jesus, the miracles were performed first and foremost to *magnify* his message. So what can we learn from this story—this story of a wonderful miracle?

**We may \_\_\_\_\_ Jesus without \_\_\_\_\_ him**

**Faith \_\_\_\_\_**

**Faith \_\_\_\_\_ as we \_\_\_\_\_ God**

**Real faith \_\_\_\_\_ those closest to us**

***Is your faith deepening month by month and year by year?  
Are you experiencing the reality of God in your life day by day?***
