John 5.1-15

Jesus asked what seems to be a strange question to a man who had been an invalid for 38 years: "***Do you want to get well?***" Perhaps we would do well ourselves to ponder some questions of faith as we meditate on this story...

Are you _____ to God's _____?

Are you _____ his _____?

Are you _____ his _____?

Are you _____ of the consequences of _____?

*We often have questions for God.
It is important to realize that he also has questions for us.*
