## ***John 11.1-44***

Sometimes our loved ones get sick. Sometimes they die. Doesn't God care about these people? Why doesn't he do something about them? Let's see what we can learn from this amazing story of one of Jesus' greatest miracles...

### **Jesus and His Disciples (v. 1-16)**

- This sickness happens to a family \_\_\_\_\_
- Jesus was very \_\_\_\_\_ in his plan, and he tries to make this known to his disciples

### **Jesus and Martha (v. 17-27)**

- Martha: \_\_\_\_\_ disappointed
- Jesus claims the power of \_\_\_\_\_

### **Jesus and Mary (v. 28-37)**

- Mary: \_\_\_\_\_ disappointed
- Jesus joined in the \_\_\_\_\_

### **Jesus and Lazarus (v. 38-44)**

- Jesus does this for the \_\_\_\_\_ of the \_\_\_\_\_
- Jesus does this for the \_\_\_\_\_ of \_\_\_\_\_

***God does care about us and our loved ones in times of suffering and pain. But death is not the impediment to God that it seems to us, for Jesus is the resurrection and the life! Do you believe this?***
